OVERVIEW

About Design Services

Good content can be let down by poor presentation. Whether it is a project report, a seminar presentation, an event poster, or a logo for a new venture, clean design makes your work look professional and easier to understand.

We create and format design work to your requirements and any institution or brand guidelines, and revise it with you until it is ready.

WHO IT'S FOR

- Students preparing project reports, seminars, and presentations
- Institutes, clubs, and organisers of events and workshops
- Small businesses and start-ups needing a logo or brand material

WHAT'S COVERED

In detail

01 Project reports

03 Posters and banners

Event posters, technical posters for conferences, social media creatives, and banners.
