OVERVIEW

About Technical Questions Discussion

The technical round is where interviewers test whether you really understand your subject. Memorised answers break down as soon as they ask a follow-up question.

In these sessions we go through the questions that commonly come up for your branch and target role, and explain the concept behind each one step by step, so you can answer confidently and handle follow-ups.

WHO IT'S FOR

- Engineering and science students preparing for technical interviews
- Students preparing for core-company and PSU interviews
- Freshers who want to strengthen subject fundamentals

WHAT'S COVERED

In detail

01 Branch fundamentals

Core topics for your branch, for example circuits, machines, and power systems for electrical; data structures, DBMS, and OOP for computer science.

02 Frequently asked questions

Common interview questions for your target role, with clear explanations and model answers.

03 Projects and internships

How to explain your own projects: the problem, your approach, the tools used, and the results.

04 Problem solving out loud

Practising how to think aloud and explain your reasoning when you do not know the answer immediately.

05 Mock technical interviews

One-to-one mock rounds with feedback on accuracy, clarity, and confidence.

HOW IT WORKS

Step by step

- 1 Tell us your branch, target companies, and roles
- 2 Get a list of important topics and questions to prepare
- 3 Discussion sessions with step-by-step explanations
- 4 Mock technical interview
- 5 Feedback and a revision list of topics to strengthen

WHAT YOU GET

- Clear understanding of core concepts, not memorised lines
- Confident explanations of your own projects
- Experience of a realistic technical interview
- A focused revision list for your interview

QUESTIONS

Good to know

Which branches are covered?

Tell us your branch and role; sessions are tailored to the subjects you will be asked about.

Can I use the AI tutor to practise?

Yes. The AI tutor on the website explains concepts step by step at any time.

Interested? Message us on WhatsApp or call **+91 93377 22146** to discuss your needs, fees, and schedule. Email: amaresh.nist@gmail.com · Mon – Sat, 6:30 PM – 9:30 PM.
